Immunization Form DH680/681

Pasco County Schools

Kurt S. Browning, Superintendent of Schools
7227 Land O' Lakes Boulevard • Land O' Lakes, Florida 34638

Dear Parents/Guardians:

Kindergarten and Out of State/Country immunization requirements are as follows:

- | | |
|--|------------------|
| Diphtheria, Tetanus, Pertussis (DTaP)
(If the 4 th dose was given on or after the 4 th birthday a 5 th dose is not required) | 4 or 5 doses |
| Polio vaccine (OPV)
(If the last dose was given <i>prior</i> to the 4 th birthday, an additional dose is required) | 3, 4, or 5 doses |
| Measles, Mumps, Rubella (MMR) | 2 doses |
| Hepatitis B series | 3 doses |
| Varicella (protects against chicken pox)
(or documented date of varicella/chicken pox disease) | 2 doses |

Immunization record must be on the Florida Health DH 680 Form. We will not accept other forms for enrollment.

Proof of a **physical exam** completed within one calendar year prior to enrollment date is required for all kindergarten students who have **never** been enrolled in a Florida school before or students that are coming in from out of state or country.

State law mandates compliance with these requirements. Your child cannot complete the registration process (i.e., receive teacher assignment) without the required immunizations and physical exam.

Please document any health concerns on your child's Emergency Information Card at registration / orientation and contact me if you wish to discuss your child's health.

Mandi Kline

Pasco County School Nurse

If you have a temporary medical exemption expiration date on the DH680 form, it must not expire before school starts (8/12/24) or we will not be able to use it as a valid immunization record to complete your student's enrollment.

If you have religious exemption, you will need to provide a DH681 form instead of the DH680 to complete the enrollment.

Proofs of Residence

Things to look for when providing documentation as a proof of residence:

- Must have the name of the parent/guardian listed on the enrollment application.
- Must have the address listed on the enrollment application.
- For leases/rental agreement must have valid term dates. If your lease/rental agreement has an end date before August 2024, you will need an updated agreement in order for it to be considered a valid proof.
- We cannot use bank/credit card/ cell phone statements as a proof of residence.
- If your family resides with another resident, the two proof of residency documents need to be in the homeowner's name. Additionally, we require a notarized Affidavit of Residency form (MIS141) to be completed. This form can be obtained in the front office and will act as your third proof .

Pasco County Schools joins the Florida Legislature in recognizing that it is a fundamental right of parents to direct the upbringing, education, and care of their minor children.

Parent/Guardian Rights 2023-2024

Because there are multiple kinds of services available, the Parent Portal permits you, as a parent with fundamental rights under Florida's Parent's Bill of Rights, to make informed, individualized, and specific consent decisions that best support both your child and your parenting decisions.

Please be advised that by providing consent to healthcare or other services you are not waiving your rights to access any records that Pasco County Schools may possess regarding your child. Pasco County Schools protects parental rights by abiding by and enforcing Section 1002.22, Florida Statutes, as well as the Family Educational Rights and Privacy Act (FERPA) with regards to a student's records. Please be advised that to the extent that your child is educated through the utilization of an individualized education plan (IEP) or Section 504 Plan, then the specific written consent(s) you have provided during the IEP or Section 504 planning, or evaluation process will control and take precedence over any consent parameters set forth in this Online Consent Notification System. If you are not in agreement with the consents and/or services or evaluations provided to your child under their IEP or Section 504 planning or evaluation process, please contact their school to schedule a team meeting to discuss the same and otherwise avail yourself of the rights afforded to you under the IDEA and Section 504 of the Rehabilitation Act of 1973.

To learn more about the healthcare and other services that are available to your child, and to make your informed decision as to whether you will be consenting to the provision of those services, please take a moment to carefully read the information below and complete the consent questions beginning on the next page of this form before entry to your Parent Portal.

If your child is a car rider, you will drop them off from the car rider loop. You can notify the staff member in the car rider loop that your student is a kindergartener.

If your child is a biker/walker, you will drop them at the main gate by the crossing guards. There they will be met by a staff member and guided to his or her teacher.

For school safety purposes, we do not allow anyone to walk on campus. The kindergarten teachers will be outside by the benches to greet their students and bring them to class.
